Throughout the past couple of months, the Battalion has done many events. Some examples of these events are the Winter Wonderland at Rugel elementary school, the Winter Event at Mcwhorter Elementary School, and many more.

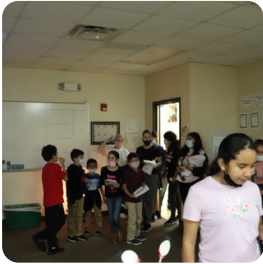

# RUGEL ELEMENTARY

At Rugel Elementary, cadets attended the Winter Wonderland on Dec. 7th. The cadets were instructed to monitor different minigames/activities for the different families.

# MCWHORTHER ELEMENTARY

At Mcwhorther on Dec 9th, many classrooms were designated different countries around the world to express the cultures they have for the Holidays. They shared the different foods, music, and photos on how the cultures would typically celebrate.

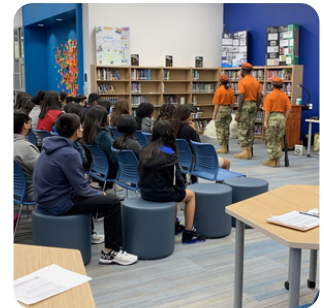

# MARTIN LUTHER KING JR

On Jan 15th, cadets in the Battalion marched around Mesquite High School to celebrate Martin Luther King Jr and all he has done.

# A.C. NEW AND FRAISER RECRUITMENT

Some off the cadet from the drill team attended A.C New and Frasier Middle School to recruit new LET 1 cadets for the 2022-2023 school year. We accomplished the goal for the number of cadets that are interested in joining. The Battalion is excited to meet the new cadets and grow more as a program.
