Jonathan's place

School Year 2021-2022

On March 11th, the Battalion had the honor of helping a non-profit organization called Jonathan's place. Jonathan's place is an organization that brings in a safe space for children, teens, and young adults who have been neglected and abused. Listed below is the different programs Jonathan's place offers:

- **Emergency Shelter - a residential facility for newborns and children up to 18 year old's**
- **Foster care and Adoption program - a program that recruits, trains and supports foster and adoptive parents**
- **Girls Residential Treatment - a program that provides a home for girls ages 10-18 who need specialized treatment due to the experience of neglect and any type of abuse.**
- **Safe Place- a national outreach and runaway prevention program that teaches middle and high schoolers about abuse and how to reach out if needed.**
- **Transitional Living Program- a program that helps young adults from the ages of 17-23 who are just getting out of foster care with housing, mental and physical health, education, and more**

The battalion organized a way to get many of the items by assigning each company a category. Alpha's company category was household items, Bravo's company category was food. Charlie's company category of baby items. Finally Delta's company category was clothing
