

# West Mesquite High School Leadership Camp Adventure

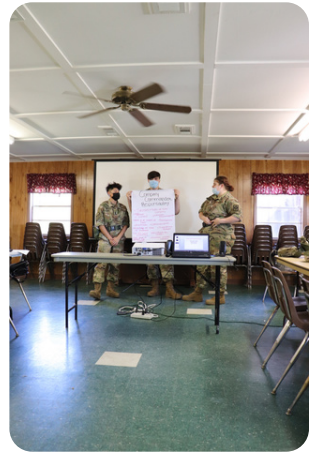

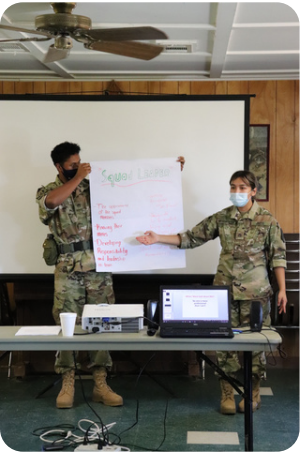

On Oct 22-23, many of our leaders in the battalion went on a camp to learn on how we could improve our leadership skills. We started off our day by arriving at the cabins, which had such a beautiful lake and sunset. We then had a class on what a leader is, different styles we can use, and determining who we are. We got familiar with the jobs of our positions and how the positions contribute to JROTC. After lunch, we went on a small hike to the low rope activities. We then spent the next few hours trusting one another. Believe me, it was a little scary but worth it. We all had such a fun time and the memories we made will forever be in our hearts. I'm glad that we were able to capture the photos we did, and I'm glad to share them with y'all. Also thank you to the people who helped take photos as well!
